A BILL

To amend the Federal Power Act.

1	Be it enacted by the Senate and House of Representa-
2	tives of the United States of America in Congress assembled,
3	SECTION 1. AMENDMENT OF SECTION 9.
4	Section 9(a) of the Federal Power Act is amended
5	by adding a new paragraph (3) at the end thereof as fol-
6	lows:
7	"(3) No license may be granted for any project
8	subject to the provisions of this part unless the ap-
9	plicant complies with all procedural and substantive
10	requirements of the laws of the State or States in
11	which the project is located with respect to the ac-
12	quisition of water rights and administration of the

- 1 use of water. Any such license shall be subject to the
- applicant obtaining any water rights needed for such
- project in accordance with such requirements.".

- 5 Section 27 of the Federal Power Act is amended—
- 6 (1) by deleting "used in irrigation or for munic-7 ipal or other uses"; and
 - (2) by deleting "therein." and inserting in lieu thereof "therein; and no license granted pursuant to this Act shall relieve any licensee or applicant for a license from complying with all procedural and substantive requirements of the laws of the State in which the project is located with respect to any water rights needed for such project, including any terms, conditions, limitations, or other restrictions attached to such rights. Nothing in this Act nor in any other Act may be construed to constitute a preemption or intent to preempt the procedural and substantive requirements of State law with respect to the acquisition of water rights and administration of the use of water or with respect to any terms, conditions, limitations, or other restrictions which a State may attach to any such water rights for such project.".
